Das Original

### **Need a little bit more?**

Our threadlockers are not only available in 10 ml vials, but also in a 50 ml version. Possible delivery forms are packaging units of 9 pc. x 10 ml or 6 pc. x 50 ml.

### **Wider range**

We widened our range to offer you our thread sealant EL-Fil 77 and the joint connection EL-Add 48.

### **Precise application**

Our anaerobic sealing compounds are supplied in a practical bellows bottle with a twist cap for clean and easy application.

### **Get there faster**

The new anaerobic product range reaches its hand tightness within a few minutes saving your time.

### **An advantage for people and the environment**

All products are not skin irritating and without hazardous substances.

**eco-friendly**

### **Look for this sign!**

### **One for all!**

The references on our product packaging are written in 25 different languages.\*\*
